

Senior Summer Reading College Prep and Foundations

The teachers of senior English at Lenape Valley Regional High School would like to welcome all students to the twelfth grade and the study of composition and British, American, and world literature. The senior year will contextualize the study of literature broadly through an examination of genres, time periods and authors. In order to maintain reading practice and to prepare students for post secondary education and independence in learning, the senior English teachers are requiring that all students read one (1) piece of literature during the summer. As the focus of senior study is literature with an emphasis on self-discovery, students are being given the opportunity to select a contemporary novel or drama from a wide range of world authors. The choice should reflect personal interest and reveal each student's continued development as a lifelong reader.

***READ at least ONE contemporary work.**

A contemporary work is one published during the 20th and 21st century and paints a modern portrait of life. Students are encouraged to select a novel or drama that catches their interest and matches their reading ability. As they read, students are **required** to complete the active reading task. This task, along with an in-class reading assessment, will count as 10% of the first marking period grade.

Active Reading Task

Log-as-you-go: Divide your novel or drama into a minimum of 5 sections (more is fine, less is unacceptable). Keep track of important information about characters and events by recording your notes in a journal. Logs must include **responses** to characters, ideas, style, situations, etc. However, mere plot summary will not be acceptable. You may include favorite scenes, excerpts, quotes, descriptions, predictions, questions, etc. Be sure to indicate page numbers next to all notes.

At the top of each entry indicate the chapters or scenes/acts that are being covered. **All entries must be hand written.**

Feel free to pose questions that you hope to answer as you read.

***Remember** to bring this active reading journal to class on the first day of school. In addition to being weighted as part of the summer reading assessment, these notes will assist you in completing the assessment; both will count as 10% of your first marking period grade.
