

Sophomore Summer Reading College Prep and Foundations and Resource Room

The teachers of sophomores at Lenape Valley Regional High School would like to welcome all students to the tenth grade and the study of American Literature. The sophomore year will build upon your freshman educational experiences with an enriched focus on the literature of our country. In order to maintain reading practice and to prepare students for new learning experiences and expectations, the sophomore English teachers are requiring that all students read one (1) piece of literature during the summer. As the focus of sophomore study is American Literature, students are being given the opportunity to explore either the genre of the novel or the drama as crafted by American authors. The choice should reflect personal interest and inspire insight as each student grows as a lifelong reader.

***READ at least ONE novel or drama written by an American author.**

The types of fictional narratives (novels) are quite varied, ranging from mystery and adventure to historical to science-fiction and fantasy. Students are encouraged to choose a novel or drama from any time period that is both appealing and written in language that can be read comfortably. While reading the American novel or drama during the summer, students are **required** to complete the active reading task. This task, along with an in-class reading assessment will count as 10% of the first marking period grade.

Active Reading Task

Log-as-you-go: Divide your novel or drama into a minimum of 5 sections (more is fine, less is unacceptable). Keep track of important information about characters and events by recording your notes in a journal. Log must include **responses** to characters, ideas, style, situations, etc. You may include favorite scenes, excerpts, quotes, descriptions, questions, predictions, etc. However, mere plot summary will not be acceptable. You are recording your observations, questions, etc. Be sure to indicate page numbers next to all notes.

At the top of each entry, indicate the chapters or scenes/acts that are being covered. **All entries must be hand written.**

Feel free to pose questions that you hope to answer as you read.

***Remember** to bring this active reading journal to class on the first day of school. In addition to being weighted as part of the summer reading assessment, these notes will assist you in completing the assessment; both will count 10% of your first marking period grade.
