Dear Lenape Valley Regional HS Students and Parents:

The college admission process is more competitive than ever. One of the biggest challenges for a student is to achieve a competitive score on standardized tests. Scoring well on standardized tests will build tremendous personal confidence and is a crucial element in a student's successful journey through the college admissions process.

The Lenape Valley High School District and Kaplan Test Prep and Admissions have come together to give Lenape Valley Regional HS students an opportunity to take a **practice SAT** before the actual exam.

**\*\*\*\* This test is practice, not the actual College Board administration of the SAT\*\*\*\*  
These practice test scores will not go on record.**

The Practice SAT will be given on **Saturday, January 9, 2010 from 8:30am-1pm**. The test will be held at Lenape Valley Regional High School. This opportunity is FREE for students of Lenape Valley Regional High School! The registration deadline is Thursday, January 6, 2010.

Enclosed is a registration form for the practice exam. If you would like to attend, please fill out the form completely and mail to:

Kaplan Test Prep c/o Jaime Capra • 188 Route 10 West • East Hanover, NJ 07936  
Or Fax the form to 973-884-4434

Practice test results and detailed analysis will be mailed home within two weeks.

At Kaplan, we believe that the first step to achieving a high score is diagnosis. A practice test will determine a student's strengths and weaknesses before he/she takes the real test. We hope that you will take advantage of this opportunity. Please email Jaime Capra at [Jaime.Capra@kaplan.com](mailto:Jaime.Capra@kaplan.com) if you have any questions.

Sincerely,

Jaime Capra
