Lenape Valley Regional High School Attendance Policy

ABSENCES AND EXCUSES

New Jersey law requires an attendance policy of all pupils enrolled in the public schools. The Lenape Valley Regional Board of Education believes that regular attendance in class, participation in class activities, and interaction between pupil and teacher are vital and integral parts of the learning process.

Frequent absences of pupils from regular classroom learning experiences disrupt the continuity of the instructional process. The school cannot teach pupils who are not present. Poor attendance limits accomplishments and reinforces a habit which will handicap the individual in future education or employment. Therefore, the Lenape Valley Regional Board of Education requires the regular attendance of all pupils each day the school is in session.

To report an absence, parents should call (973) 347-7600, extension 3106.

All absences require a written notification from parents/guardians of minors and from an individual who has declared his/her majority. Such notes shall be received in the Main Office upon return to school following an absence. All such notes shall become a part of the official pupil record. If a student does not bring in a note to verify absence, the student will not be permitted to make-up any work and will receive a grade of zero for any assignments missed.

Pupils shall be provided an opportunity to complete assignments missed if absences are verified. If a student has a doctor's note, the student should provide a copy of the note to the office within five (5) school days of the absence.

Absences include full day absences and absences from individual classes that result in fifteen minutes or more of the period being missed. All work missed must be made up at the initiative of the pupil. Students should keep track of their attendance on Genesis.

A pupil will not be granted credit in a scheduled course after his/her absences exceed the following limits:

- A. Full year course 14 days
- B. Semester (1/2 year) course 7 days

This policy is not intended to remove credit from those students who have a chronic and/or serious medical problem. For these students, we request parents contact the School Nurse early in the year or once the condition is professionally diagnosed, in order that proper arrangements can be made to provide maximum assistance in the education of these students.

An extended or serious illness shall be considered one which requires absence from school of more than five (5) consecutive days. Such absences will not count against the student, provided a statement from a medical doctor is submitted to the school nurse within five (5) days after returning.

Absences due to leaving school by signing out of the nurse's office are not excused unless the school nurse has required the student to leave. Student absence from school due to exclusion by the school nurse will be excused.

A pupil will remain in a scheduled class even after exceeding the limits noted above. The report card and permanent record card will indicate the grade earned in the course. However, the report card and permanent record card will also indicate loss of credit. A pupil who does not remain in the class or does not put forth a legitimate effort to pass the class will not be eligible for summer school credit retrieval. Report cards and progress reports will reflect period absences. Student absences should also be tracked online.

Parents/guardians and/or adult pupils will be notified of absences as follows:

- A. Full year course:
 - upon 6 days
 - upon 12 days
 - upon 15 days, loss of credit
- B. Semester (one-half year) course
 - upon 3 days
 - upon 5 days
 - upon 8 days, loss of credit

Absences that do not count **toward loss of credit** are (with proper documentation):

1. State recognized religious holidays.
2. Suspension-absence mandated by the school for disciplinary reasons.
3. Administrative removal from class.
4. Death in the family.
5. Administratively approved field trips.
6. A maximum of **THREE** college visits (for **JUNIORS & SENIORS ONLY**)
7. A maximum of **TWO** days for enlistment in Military Services
8. Court dates that are verified through documentation.
9. Drivers Test

CONSECUTIVE ABSENCES AND CHRONIC ABSENTEEISM

Pupils under the age for compulsory school attendance (16 years) who do not attend school on ten (10) consecutive days and whose parents/guardians fail to notify the school as to the reason for the absence shall have served upon their parents/guardians a formal written notice to cause the pupil to attend school.

Pupils beyond the age of compulsory school attendance who do not attend school for ten (10) consecutive days and fail to notify the school as to the reason for the absence shall have written notice served to parents/guardians of intent to remove the pupil's name from the attendance rolls of the school. Appeal of such notification must be made within three (3) school days of receipt of notification.

A pupil will be considered chronically absent from school if he or she has not been present for 10% or more of the enrolled days of school. All absences, including those verified by a doctor, are considered when calculating chronic absenteeism. A meeting will be requested by the administration with the parent(s) and/or guardian(s) of a pupil who is chronically absent and an action plan will be implemented to improve attendance.

APPEAL PROCESS FOR LOSS OF CREDIT

Appeals for exceptions to the loss of credit for excessive absences may be made to the administration.

The appeals process shall consist of the following:

1. Students should submit a letter to the Assistant Principal with rationale for credit reinstatement immediately after they are aware that they exceeded the Lenape Valley Regional High School Attendance Policy. The letter should also include the courses in which the student will lose credit. Only upon receiving a written letter of appeal will an Attendance Appeal be scheduled.
2. The pupil and parents will meet with the administration for the purpose of reviewing his/her attendance record and to present any information relative to the absences.
3. The pupil will be given the opportunity to present any extenuating circumstances.
4. The administration will review all pertinent information and decide whether credit should be granted or not granted.
5. The pupil will be notified as to the outcome of the appeal and may appeal further to the Principal.
6. With administrative approval, pupils may also have the option to attend after school study halls to retrieve credit for a class.

TRUANCY

A pupil shall be considered truant at Lenape Valley Regional High School who is absent from school without the knowledge of his/her parents/guardians. The classes missed shall be counted as cuts and disciplinary measures taken accordingly.

It shall be the policy of the Board to consider the effectiveness and appropriateness of the educational program that is offered each pupil who habitually and repeatedly absents himself/herself from such programs and to refer each such pupil to the Child Study Team for review.

1. For a first offense, students will receive three (3) after school detentions and parents will be notified.
2. If a student does not attend detention, he/she will receive in-school restricted study after meeting with the Assistant Principal and will not be eligible to take part in any after school activities until all the detentions and in-school restricted study have been served.
3. Any subsequent act of truancy will result in two (2) in-school suspensions and parent notification.

ARRIVAL TO SCHOOL

During school hours, all students **MUST** enter and leave the building through the main entrance.

LATE TO SCHOOL

Any student who is late to school MUST bring in a note from his/her parent or guardian so that the late to school is verified upon sign-in at the Main Office. A student who does not bring in a note will receive an unexcused late and the student will not be permitted to make up work missed due to tardiness. Students who arrive late to school must sign in with the Main Office. Each late to class will count as onethird of an absence. A pupil will be assigned after school study hall upon three (3) unexcused tardies to school per quarter and chronically late students may lose privileges. Seniors who arrive late to school may not leave for senior privilege.

TARDINESS TO CLASS

The Lenape Valley Regional School District recognizes that students must arrive to class on time so that the educational process is maximized. **For every time that a student is tardy to class, 1/3 of an unexcused absence will accrue. These will be counted towards the student's cumulative absences. If a student misses more than fifteen minutes of the class, an unexcused absence will occur.**

EARLY DISMISSAL

Any student who is requesting to leave during the school day **MUST bring in a note from his/her parent or guardian to the Main Office by 8:30 a.m.** The note should include the student's name, date, reason for dismissal, whether or not the student will be returning, and a contact phone number for the parent or guardian. Phone calls from parents or guardians **WILL NOT** be accepted without administrative approval. A parent or guardian may also come to the school in person to remove a student from school. Students will not be released to any individual who is not noted as an emergency contact. **ALL STUDENTS**

MUST CHECK-OUT AT THE MAIN OFFICE BEFORE LEAVING Lenape Valley Regional High School.

RETURN TO SCHOOL FOLLOWING ABSENCES

Absence Verification - **All absences require written notification by parents or guardians of minors and by an individual who has declared his/her age of majority. Such notes shall be received in the Main Office upon return to school following an absence.** All such notes shall become a part of the official student record.

Make-Up Work - Pupils are provided an opportunity to complete assignments missed because of their absences, providing that an absence is verified through a submitted note to the Main Office. However, it would be unwise to believe that students can make-up the learning activity of a total class section.

1. The rule of thumb for the time allowed to make-up work missed is equal to the amount of time absent. Responsibility for arrangements to make-up work lies with the pupil. Extended time to make-up work may be granted by the respective teachers.
2. Pupils choosing to cut classes, or are otherwise found to be truant, may not make-up work missed during these infractions.
3. Pupils may complete assignments for time missed because of actions initiated by the authorities of the school, i.e. suspension, exclusions, etc.

Field Trips – Pupils should see all teachers **BEFORE** leaving for a field trip in which classes are missed in order to get assignments that they will be missing. It is the student's responsibility to make-up this work.

LEAVING CAMPUS WITHOUT PERMISSION (this includes unauthorized leaving of the building)

First Offense

1. **Three (3) after-school detentions** will be assigned
2. Parents will be notified
3. The student will receive a zero for all missed assignments or assignments that were due that day

Second Offense

1. **Two (2) in-school suspensions** will be assigned
2. Parents will be notified
3. The student will receive a zero for all missed assignments or assignments that were due that day

CUTTING CLASS

Any class not attended by a pupil who is present in school shall be counted as part of the absences of that pupil. **Students will lose credit if they cut the same class twice at Lenape Valley Regional High School.**

First Cut

1. When a student cuts a class the first time, a conference with the student will take place and parents will be notified.
2. The student will receive a zero for all missed assignments or assignments that were due that day.
3. Disciplinary consequences will be **three (3) after-school-detentions** for the first cut.

Second Cut

1. When a student cuts a class for the second time, a conference with the student will take place and parents will be notified.
2. **The student will lose credit for the class.**
3. The student shall stay in class and grades earned will count toward his/her GPA.
4. The student may be removed from the class if his/her presence creates a discipline problem.
5. Disciplinary consequences will be **two (2) in-school suspensions** for the second cut.

FIELD TRIPS

During the year, students and faculty members may take special field trips. While on these trips, students are expected to adhere to the following regulations:

1. Students must present a written permission form signed by their parent/guardian.
2. Appropriate dress (as defined by the trip's sponsor) is to be worn.
3. There is to be no smoking or use of tobacco products (including electronic cigarettes) at any time.
4. Students are expected to display appropriate behavior during performances (no booing, yelling, or whistling).
5. Students must remain with their assigned group and chaperoned throughout the entire trip.
6. No drinking of alcoholic beverages at any time.

ONLINE GRADING/ATTENDANCE

Lenape Valley Regional High School District utilizes an online application for parents and students to check progress in their classes and attendance. Any questions concerning grades should be directed towards the teacher.

VISITORS

Student visitors are welcome if the student is visiting LVHS for the purpose of investigation, where the student is either planning to enroll or conducting a study through his/her home school. Students are discouraged from bringing friends to school. The permission of an administrator is required along with written permission from the student's parent with an emergency contact number, **THREE SCHOOL DAYS IN ADVANCE** for all visitors who are friends of students. Lenape Valley Regional High School students shall assume full responsibility for the actions of their friends while visiting the school. The guest may only visit Lenape once.

DRESS CODE

A student's manner of dress is a reflection of individual taste - a matter to be determined in large measure by the student and his/her family. At Lenape Valley, students are expected to look neat, clean, and to dress in a manner which is considered appropriate for school. **Attire that disrupts the educational climate is not acceptable.**

The Administration reserves the right to make the final decision regarding appropriate dress in school as well as at school-sponsored events.

Guidelines

1. Footwear **MUST** be worn at all times. No flip flops or slippers.
2. Garments designed to be worn as underwear may not be worn as outerwear.
3. Garments with obscene, insulting, or derogatory slogans are unacceptable.
4. Any clothing that promotes alcohol or substance abuse is not acceptable.
5. Bare midriffs, backless garments, shirts with cutoff sleeves, and see through leggings are unacceptable.
6. Hats or other head coverings, except those worn as part of religious practice, are not to be worn in the school building.
7. Tailored shorts of appropriate length are permitted with the stipulation that they are no shorter than mid-thigh and are not of the beach line or gym variety.
8. Garments short enough to cause a distraction or long enough to be a safety concern (tripping) are not permitted.
10. Due to safety concerns, additional guidelines may be established.

NO GAMBLING OR CARD PLAYING OF ANY NATURE IS PERMITTED

Items will be confiscated. Detention will be issued.

LOCKERS

Each student will be assigned a locker during the first week of school. It is the student's responsibility to see that his/her locker is kept neat and clean at all times. Malfunction, damaged lockers, and any items missing from a locker must be reported to the Office of Student Affairs. Each locker is equipped with a built-in combination lock. Only the student using the locker should have the combination. No additional locking devices can be used on the lockers. Locker inspections will be held during the school year. Lockers are the property of the school and will be searched at any time during the year when it is deemed to be either necessary or appropriate. Canines may be used in detection of illegal substances. Lenape Valley Regional High School is not responsible for items stolen from school lockers. Students will be held responsible for replacing school property (calculators, texts, etc.) stolen from school lockers.

CAFETERIA

The cafeteria will endeavor to provide a balanced meal at a reasonable price for students who wish to avail themselves of the opportunity to purchase a meal. In addition to a hot meal, the cafeteria provides sandwiches, salads, and nutritional snacks. Also, breakfast will be offered for students and staff at 7:00 a.m. each school day.

1. Students are to enter the cafeteria in an orderly manner. Running is prohibited.
2. There is to be no pushing, shoving, or cutting ahead in the lunch line.
3. After completing lunch, students are to clean up their tables or areas and carry their trays up to the receiving window.
4. Students **MUST** remain in the cafeteria during the Lunch unless they have a pass from a faculty member.
5. Only seniors approved for open lunch will be permitted to leave the school grounds.

ELECTRONIC DEVICES & CELL PHONES

Students are to put away any electronic devices before the first class of the day and should **NOT** have these items in class. Usage of electronic devices (other than cell phones) is only permitted during study hall or lunch. Improper usage will result in confiscation. The item will be released to the student as determined by administration. Repeat offenses will result in in-school restricted study and/or suspension. Videotaping of anything is not permitted.

Students will not be called from class to take calls on the telephone. A parent may leave a message for a student with the Main Office.

Cell phones are to be put away and turned off for the day upon the bell that moves students to the first class of the day.

The use of cell phones is **ONLY** allowed when a student requests and permission is granted by a staff member to make a phone call in an emergency.

Cell phones may ONLY be used during Lunch or during the changing of class.

Should a phone be seen, **staff members are instructed to confiscate the cell phone and bring it to the Main Office.** The first time a cell phone is taken, it may be picked up at the end of the day. Subsequent incidents will require a parent to come to school to pick up the phone and will also include the following disciplinary consequences: Second offense – parent pick-up and cell phone confiscation; Third offense – parent pick-up and 1 detention; Fourth offense – parent pick-up and 2 detentions; and Fifth offense – parent pick-up and additional days of in-school restricted study. Refusal to hand in a cell phone will result in immediate out of school suspension from school; the parent will be called to pick up his/her child and a reentry conference will be held upon return to school.

VANDALISM

Any offense causing damage or defacing of school property may result in a long-term suspension, police complaint, expulsion by the Board of Education, and/or restitution for the damages. School privileges, including loss of extra-curricular activities, walking in graduation, going to the prom, and field trips may also occur.

TEXTBOOKS/SCHOOL ISSUED DEVICES AND ITEMS

Students are financially responsible for textbooks and other materials issued to them by the school. All textbooks must be covered as soon as possible to protect them from undue wear and damage. Students will be required to pay for any damage or lost materials at the end of the year.

HARASSMENT, INTIMIDATION, OR BULLYING

The Board of Education expects pupils to treat each other with civility and respect and will not tolerate acts of harassment, intimidation, or bullying. Like other disruptive or violent behaviors, this conduct interferes with a pupil's ability to learn and a school's ability to educate its pupils in a safe environment. The administration shall take all necessary steps to publicize this policy, and shall inform pupils and staff that harassment, intimidation, or bullying is prohibited on school property or any school-sponsored function. Disciplinary consequences range from a conference to out-of-school suspension depending upon the degree of the infraction. Any student who retaliates against a student who comes forward will be subject to severe disciplinary consequences.

The Board of Education's updated policy is available at www.lvhs.org and at the Board of Education. **If an incident occurs, the Principal should be notified in writing of the incident. To report incidences of HIB, please complete the HIB report form found in the Main Office or online at www.lvhs.org.**

DATING VIOLENCE

The Board of Education has determined that a safe and civil environment in school is necessary to learn. Acts or incidents of dating violence, whether they are verbal, sexual, physical, or emotional, will not be tolerated. The district has the following policy on dating violence:

1. Dating violence education will be incorporated into health education curriculum.
2. Dating violence will not be tolerated.
3. To report an incident of dating violence, please contact the Assistant Principal.
4. Reports of dating violence will be reviewed and parents of involved students will be notified.

FIRE DRILLS

Fire drills will be conducted periodically during the school year. The signal for a fire drill is the ringing of the fire alarm. It is extremely important that fire drills receive serious consideration by the students.

Instructions for exiting rooms are posted in each classroom. Students are expected to leave the building in an orderly manner.

Bus evacuation drills will also be conducted.

IDENTIFICATION CARDS

Each Lenape Valley student will be given a laminated student identification card. This card will have the student's picture on it. The card will be used for one or more of the following purposes:

1. Athletic events (admittance)
2. Media Center services
3. Cultural Events (concerts, plays, etc.)
4. Social Events (dances)
5. Recognition (upon request)
6. Cafeteria Payment
7. Attendance check-in when late to school or leaving for Senior Privilege.

A student ID card should be carried at all times by the individual student to whom it has been issued. Replacement cards will be provided for a fee of \$5.00.

EQUAL OPPORTUNITY FOR ALL

It is the policy of this District to provide every student equal educational opportunity and to prohibit discrimination because of sex, race, color, creed, religion, ancestry, national origin, parenthood and marital status, or social or economic status in education programs and activities. Any questions concerning the above items, including complaints regarding sexual harassment, should be referred to the district's Affirmative Action Officer, Mr. Thomas Claeys, Jr.

As an advocate of Section 504 of the Rehabilitation Act of 1973, the Lenape Valley Regional District affirms that no otherwise qualified student with a handicap be excluded from participation in any program or activity offered by this district. All educational and vocational programs will be made accessible. Inquiries regarding Section 504 should be made to Mrs. Rachel Ciottariello.

STUDENT PARKING

Students who wish to drive to school must first obtain a Driving Permit Application Form in the Main Office and complete and return the permit properly signed by a parent or guardian. In addition to returning the signed Student Driving Permit, signed Random Drug Testing form, proof of liability insurance, driver's license, and registration must be presented to the Main Office before validation of the student permit is granted. All students **must attend** the **Share the Keys** program with a parent or guardian.

These regulations are as follows:

1. All students will park between the lines in the North lot (near weight room).
2. Parking decals will be clearly displayed on the **LEFT SIDE REAR WINDOW** (driver's side) – the number indicates the assigned spot.
3. Parking on school grounds without permission or parking in unauthorized areas is subject to a municipal summons payable to Town Clerk of Stanhope.
4. No student is allowed to be in the parking lot except when arriving at or departing from school. Students found going to their cars without permission during school may have their parking privilege revoked and face disciplinary consequences.
5. The driveway in front of the building is closed to through traffic during school hours.
6. If there is a change in cars, the new car must be registered.
7. Students' vehicles may be subject to search if there are reasonable grounds to believe that drugs, alcohol, stolen property, or other contraband might be present in that vehicle. Parking lots and vehicles may be searched and canines may be used in the detection of illegal substances.
8. If the student parking lot is filled, students may park in the lot beyond the faculty lot by the soccer fields. Students are not permitted to park in the faculty lot during school hours.
9. After school hours, students are to follow the signs for driving in the Faculty lot. (Do not make a left-hand turn upon entering the Faculty lot)
10. Students **MUST** enter **ONLY** through the North entrance of the student parking lot and exit **ONLY** through the South entrance of the student parking lot.
11. Students may park only in the space assigned to them.

ALCOHOLIC BEVERAGES AND INTOXICATION

A student who is found with alcoholic beverages on his/her person or who is under the influence of alcohol while at school or at a school-sponsored function will be suspended for a period of ten (10) school days, and exclusion from all school-sponsored activities for forty-five (45) school days. In addition, the student must be seen by a medical doctor. While on suspension, a drug/alcohol evaluation will be completed. A second infraction involving alcohol will result in a suspension until a Board of Education hearing occurs to consider expulsion.

It is against the law for young people under the age of twenty-one (21) to consume alcoholic beverages, and it is also illegal for persons of any age to use any type of non-prescribed, mood-altering substances. The school and parents need to join together to prevent children from attending gatherings where there is illegal consumption. The intent is to send one sound and consistent message.

AFTER SCHOOL ACTIVITIES

In order to participate in any after school activity or school functions, students **MUST attend 4 full classes for the day**. All students must be in school and attend practice prior to the next contest, competition and/or performance.

USE OF SCHOOL ELEVATOR

An elevator is available for those students whose physical condition makes it impossible to attend classes on the second floor. A written request must be made to the school nurse. Once permission is granted to use the elevator, a key may be obtained from the School Nurse. A \$5.00 refundable deposit is required for use of an elevator key.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. The purpose of this organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all students. *Students must have a 3.75 Grade Point Average in order to be eligible for consideration for membership to the National Honor Society.* Further requirements for membership selection are posted on the high school website.

Once students have met these minimum criteria, selection to membership is determined by the Faculty Council, a group of five faculty members appointed by the principal. The NHS advisor is a non-voting member of the Faculty Council. The Faculty Council selects students who have demonstrated outstanding scholarship, service, leadership, and character to become members of the NHS.

After students become members, they are reviewed periodically by the Council to ensure that they have maintained the high standards of the Society. Failure to maintain these standards will result in either a probation period or dismissal upon review by the council with the involved students.

GUIDANCE SERVICES

The Guidance and Counseling Department share in the responsibility of ensuring that students attain their greatest potential educationally, socially, and vocationally. Counselors meet with students and parents to discuss school adjustment, college and post secondary educational and career planning and personal concerns. Services include:

1. Group and individual counseling
2. Schedule planning and course selection
3. Military information
4. Maintenance of report cards and progress reports
5. Financial aid and scholarship information
6. Parent and teacher conferences
7. Standardized test registration and review of test results
8. Posting of college and career school conferences
9. Referrals to special services and outside agencies
10. Transcript and record keeping maintenance
11. Summer and special program offerings

Students are encouraged to visit the Guidance Office before and after school to make an appointment. Parents are invited and encouraged to make an appointment to meet with their child's counselor and/or teacher(s) by calling 973-347-7600 ext. 5120 or ext. 5121.

SCHEDULE CHANGE GUIDELINES

Requests for schedule changes may not be honored once a course is in progress. Therefore, full year and Semester 1 course change requests must be initiated prior to the start of the school year. Semester 2 changes must be completed prior to the start of Semester 2. Please reference the school calendar for drop/add dates. **During the summer**, students may add and drop classes for reasons that include like/dislike of a course, etc. Students may never request a schedule change based on teacher or period preference, desire to move a study hall, lunch preferences, etc.

During the school year, schedule changes will only be permitted if one of the following criteria are met:

1. Student is scheduled in the wrong course
2. Student is missing a required course
3. Student went to summer school (and passed) a scheduled course
4. Student already took a scheduled course
5. Level changes

During the school year, students may ONLY drop a course for a study hall. Students may not add to a class already in progress. Therefore, if a student's schedule already includes a study hall, the student may not drop a course. If a student is requesting to drop a course, the request must be initiated prior to the 10th calendar day of a class in order for the class to drop completely off a student's schedule. Drops initiated after the 10th day of the course will remain on a student's transcript as either withdraw pass (WP) or withdraw fail (WF). Students must carry a minimum of 35 credits in a school year.

During the school year, students may initiate level changes prior to mid-second marking period. Courses subject to a level change will carry the grade from the original course. Course level changes are subject to administrative approval and may require a parent/student/ teacher meeting prior to approval. Course level will be considered under the below circumstances:

1. Student demonstrates adequate effort to be successful in current course
2. Teacher supports student request
3. Requested course has available seats and does not cause major disruption to student schedule

Students are encouraged to use the library for researching, selecting books for leisure reading, and using periodicals. Students who wish to use the Media Center during the Supervised Study Period **MUST obtain a pre-signed pass from the Media Center staff**. This pass should be presented to the study hall teacher after attendance has been taken. The study hall teacher will sign the pass and indicate the time the student leaves the study hall. The student must present the pass to the staff member behind the circulation desk as he/she enters the Media Center. The following are the Media Center regulations:

- Books and periodicals may be renewed for another four-week period.

TRANSPORTATION

All students being transported on school district-provided vehicles must be considerate of the safety and well-being of fellow passengers. Misconduct on a school bus can distract the driver's attention from his/her primary responsibility of safely transporting all students on the vehicle.

The bus represents an integral part of the school system and, as such, the same standards of conduct that apply to a school also apply to a school bus. Pupils will behave accordingly. For the safety of all riders, students will be required to:

1. Be seated while the bus is in motion.
2. Refrain from calling out to passersby and from the use of profanity or abusive language.
3. Keep the bus clean. No littering.
4. Remain in their seat. No extension of any part of the body out of a window, no jumping over the seats, and no throwing of objects.
5. Obey the law of NO SMOKING.

New Jersey State Law, Chapter 18A:25-2 states: "The driver shall be in full charge of the school bus at all times and shall be responsible for order; he shall never exclude a pupil from the bus, but if unable to manage any pupil, shall report the unmanageable pupil to the principal of the school he attends."

"A pupil may be excluded from the bus for disciplinary reasons by the principal and his parents shall provide transportation to and from school during the period of such exclusion." In keeping with that statute, the procedure for students found exhibiting inappropriate behavior will be as follows:

FIRST OFFENSE - The student will be excluded from the bus for a period of **five (5) school days** and his/her parents shall provide transportation to and from school during that period. Absence from school during the period will be considered truancy.

SECOND OFFENSE - The student will be excluded from the bus for a period of **fifteen (15) school days** and his/her parents shall provide transportation to and from school during that period. Absence from school during the period will be considered truancy. Any further infractions will be subject to an additional **thirty (30) school day** suspension of bus privileges. Suspensions will be carried from year to year.

There are late buses provided for students who wish to participate in extracurricular activities or remain after school for extra help in their subjects. These buses leave the high school at 3:30pm Tuesday, Wednesday and Thursday.

If a student or parent has a bus problem that deals with times, location of bus stop, bus drivers, or complaints, he/she should contact the high school at 973-347-7600.

HALL PASSES

Students **MUST** use an engraved teacher hall pass. Students are **NOT** to leave a classroom or study hall without a pass. Students **MUST** sign out before leaving the room and sign in upon return to the classroom.

MEDICATION

A pupil may be permitted to self-administer medication for asthma or other potentially life threatening illnesses. Written consent of parent/guardian and physician is required. School administration of prescription medication requires parent/guardian and physician written consent. School administration of non-prescription medication requires parent/ guardian written consent. Administration of Medication forms may be obtained from the school nurse. Permission is effective for one school year only.

SMOKING/POSSESSION OF TOBACCO AND/OR SMOKING PARAPHERNALIA, INCLUDING ELECTRONIC CIGARETTES

Any staff member who finds a student who is smoking on school premises, at a school sponsored event, or on a school bus or other school transportation vehicle, shall immediately direct the student to cease and desist from smoking. Possession of tobacco and/or smoking paraphernalia or use of tobacco products anywhere on school property is prohibited pursuant to New Jersey Law (P.L. 2001, Ch. 226). Violators may be subject to a fine. The infraction shall be reported promptly to an administrator who shall investigate the report. The **first infraction** of the prohibition on smoking/possession of tobacco and/or smoking paraphernalia by students will result in the assignment of **three (3) after school detentions**.

The administration shall notify parent/guardian of any student on the first infraction. If the infraction occurred on school premises or on any school bus or other school transportation vehicle, the parent/guardian shall be advised in writing that the infraction constituted a violation of state law and could subject the student to financial penalties for subsequent offenses. A copy of the written notification will be sent to the Board of Health Officer.

The **second infraction** of the prohibition on smoking by a student will result in the assignment of a **three (3) day in-school suspension**. Upon being informed of the second infraction, the Assistant Principal will meet with the student. If the administrator determines that the infraction occurred, the administrator will write a letter of complaint to the Board of Health Officer and request that a summons be issued for the violations of N.J.S.A. 26:3D-17. Students should be aware the municipal prosecutor recognizes that N.J.S.A. 26:3D-17, smoking in a public building, is cumulative. Therefore, smoking violations are carried over from year to year.

For the third and any subsequent infraction of the prohibition on smoking by a student, the administrator shall follow the same procedures set forth in Paragraph III, with the exception that, for a third and each subsequent infraction, the student shall receive a two-day out-of-school suspension.

Students will not be permitted to have cigarettes or any products containing tobacco, including but not limited to cigars, pipes, chewing tobacco, electronic cigarettes, and "smokeless tobacco" or snuff, in their possession while attending school. **Possession will also result in three (3) after school detentions.**

DRUGS

Students who are found in possession of drugs and/or controlled dangerous substances or who are charged with using, selling, or being under the influence of drugs and/or controlled dangerous substances while on Board of Education property, or at a school sponsored function, or within a thousand-yard radius of school property, shall be reported to the law enforcement authorities. Canines may be used in the detection of illegal substances.

Upon detection, the appropriate school official shall arrange for an immediate drug screening so as to ascertain the degree of drug use. The student must be seen by a medical doctor.

The student will be suspended from school for ten (10) school days and excluded from all school sponsored activities for forty-five (45) school days. While on suspension, a mandated drug/alcohol evaluation will be completed. A second infraction involving drugs will constitute a suspension until a Board of Education hearing occurs to consider expulsion.

TEACHER DETENTION

Teachers will normally use teacher-assigned detention as a first step in deterring discipline problems rather than referring the student immediately to the administration.

ADMINISTRATIVE AFTER-SCHOOL DETENTION

For the purpose of dealing with certain types of discipline problems, an after-school detention room will be organized. Pupils may be assigned to after-school detention for being disruptive in class or any other inappropriate behavior. A staff member who will maintain strict order will supervise the detention room. Since the after school detention room serves as a disciplinary device, students will not be allowed to talk. The staff member in charge may assign additional detentions to any individual who fails to cooperate in maintaining the proper atmosphere. The school administration sincerely desires that each student will have little opportunity or necessity to be assigned to this disciplinary action. After-school detention will take place on Tuesday, Wednesday, and Thursday from 2:00pm – 3:30pm. There will be an activity bus to provide transportation for students serving after school detention that will arrive at 3:30pm.

IN-SCHOOL RESTRICTED STUDY

A student who repeatedly violates school rules or fails to complete a detention may be required to spend a determined amount of time in the “In-School Restrictive Study Room.” **Students must also surrender their cell phone to the Office of Student Affairs at the beginning of the school day.**

OUT-OF-SCHOOL SUSPENSION

Suspension is recognized as a very severe disciplinary measure and should not be taken lightly by the student. Students may receive an "Out-of-School Suspension" depending on the seriousness of the infraction, number of offenses committed, and/or at the discretion of the administration. During the time of suspension, the student is not permitted to attend classes or participate in any school-related activities. A student will be readmitted only after a parental conference has been held with the administration.

POSTERS AND NOTICES

Posters and notices of any kind must receive approval from an administrator before being posted, and may only be posted in designated locations.

LENAPE VALLEY COMPUTER NETWORK RULES AND REGULATIONS

The Lenape Valley Computer Network has been designed to enhance the learning process. The creativity and flexibility that are inherent in the Network also leave it vulnerable to misuse. Students may also create their own Wallpaper or Screensavers using Paintbrush or other similar programs available on the Network. However, no Wallpaper or Screen Savers are to display any obscene language, pictures, or artwork.
2. The student ID Number is confidential. The Password is confidential and will be created and maintained by the student. The Password will be changed according to a predetermined schedule set by the Computer Applications Supervisor. Neither the student ID Number or Password are to be given to or shared with any other students. The student is responsible for any and all transactions that occur while his/her ID number is logged on to the Network.
