

LENAPE VALLEY REGIONAL HIGH SCHOOL

Thomas E. Claeys, Jr., Principal

August 17, 2020

Dear Students, Families, and Staff,

Originally, we had announced orientation for our new students was to take place on August 18 and 19, contingent upon the availability of Chromebooks. At this time, package tracking indicates that our supply of Chromebooks will arrive tomorrow, and we are ready to unpack them and prepare them for use as soon as they arrive. Consequently, we must alter the orientation dates and apologize for the inconvenience. Our new orientation dates and times are below.

Wednesday, August 19:

Students with last names beginning with M through Z 9:00am - 11:00am.

Students with last names beginning with A through L 1:00pm - 2:30pm.

Thursday, August 20:

Students with last names beginning with A through L 9:00am - 11:00am.

Students with last names beginning with M through Z 1:00pm - 2:30pm.

On these days, new students will be able to briefly walk around the school, find their classes, pick up their Chromebook, and gain access to school's network. The entire process will only take a few minutes, therefore please wait for children in either parking lot and not under the school's portico.

If for any reason our Chromebook delivery is again delayed, we will notify the school community as soon as possible.

We sincerely thank you for your understanding,
