Hello LVHS Community! We all know that many of our students have been impacted by the COVID-19 pandemic. One of the ways in which people have been impacted is in their access to nutritious foods. Students can currently receive breakfast and lunch in school, free of charge, but what about when they are not in school?

Lenape Valley Regional High School is starting an in-house food pantry to make food available to our students and their families during times when they are not in school. Presently we are seeking donations of food and/or funds to stock our pantry. Below you will find a list of items we are requesting. Donations can be left in the collection box in the main office, or brought to the Child Study Team Office.

If you have any questions please contact **Dina Miller at ext.5137 or dmiller@lvhs.org**. Thank you for your support.
