

## LENAPE VALLEY REGIONAL HIGH SCHOOL

Thomas E. Claeys, Jr., Principal

March 31, 2017

Good Morning Lenape Families,

As I stated in this morning's Honeywell alert, we received a phone call from a concerned family this morning that a student was planning an act of violence. The safety of our students, employees, and visitors is a priority that we take very seriously. School officials and the Stanhope Police immediately investigated and determined that there was no danger and subsequently deemed the situation to be safe for continuing the school-day. Despite whatever rumors that may be circulating in our community, there was no evidence of anyone bringing a weapon or even a toy gun to campus today.

I wish to thank the entire student body and the staff for their attentiveness and cooperation during this event.

Most sincerely,
