

LENAPE VALLEY REGIONAL HIGH SCHOOL

Thomas E. Claeys, Jr., Principal

January 18, 2021

Dear Lenape Valley Students, Families, and Staff,

Thank you for the great effort during mid-term examination week. We are fortunate in that there are only a few students who need to make up missing tests, and I urge to do so as soon as possible. Students will receive school e-mail notification from teachers about completing make-ups. Missing examination grades will not only affect final course grades, but also academic eligibility to participate in extracurricular activities.

Beginning on Monday, January 25, through Friday, January 29, from 11:40 until 1:40, I ask that virtual students please return their first semester materials and pick up their second semester materials.

Despite the conditions of the COVID-19 crisis, classes continue to take place on campus, many extra-curricular activities are too, and we are providing meals to those who are in need. Your part in making on-campus instruction possible cannot be overstated, especially everyone's cooperation regarding the health and safety protocols. Please know that strategizing for this crisis is ongoing at our school, and that the Pandemic Response Team will meet in February to consider our future course of action for the remainder of the year.

Thank you again, and every best wish for 2021,

Lenape Valley Regional High School
