

Project | SEARCH®

Project SEARCH is a one-year, business-led, unpaid internship program for students with disabilities in their last year of high school that takes place entirely at a host business site. It provides students who want to work a chance to explore careers and develop transferable job skills. The combination of instruction and immersion in the workplace prepares young adults with disabilities to make successful transitions from school to productive adult life.

Sussex County Educational Services Commission and Project SEARCH are proud to have Jerisa Maseko, the Director of Planning For Adult Life from The Arc of New Jersey, conduct a presentation on "Planning is Vital". The Planning For Adult Life Program (PFAL) provides free presentations, hands-on workshops (HOW) and resources for school classrooms, parent groups, community or civic groups, and professional organizations. The standard presentation is approximately 45 minutes long and includes a brief introduction to the PFAL program.

Please join us:

**Tuesday, February 22nd from
10:00am to 11:00am**
