

LENAPE VALLEY REGIONAL HIGH SCHOOL

PAUL M. DIRUPO
Superintendent

March 1, 2021

Dear Patriot Families:

We would like to thank all of the families who took the time to complete our Return to Campus survey. The administration is sensitive to how this issue affects the families in our community, which is why it was so important to reach out to you. The result of the survey is that our community is in favor of continuing our schedule in its current form. Therefore, under the current yellow-state of COVID restrictions, we will conclude the school year under the hybrid schedule. Should restrictions lessen or be lifted by the NJDOE or Department of Health we may reevaluate this matter and resume more regular operations.

Thank you for your continued support as we navigate through this most difficult year.

Sincerely,

A handwritten signature in blue ink that reads "Paul M. DiRupo".
