Dear Lenape Families,

We recently announced an expansion to Senior Privilege to include leaving campus during lunch and certain study halls. So far this year, the Class of 2018 has demonstrated a great deal of growth and good citizenship, and we are happy to reward them.

To be eligible for this responsibility, applicants must demonstrate that they are students in good standing and are academically eligible for extracurricular activities, in addition to other qualifiers stated in this application. Ultimately, this responsibility must be a family decision and will require parental permission for participation.

This will begin February 5, 2018. Applications must be completed and returned to the Main Office before participating in expanded Senior Privilege.

Congratulations to the Class of 2018,

Thomas Cleary, f

Open Lunch Privilege Regulation

- Any senior who is in good standing will be allowed to leave during lunch and study halls that take place during the first and last session of the day or immediately before or after lunch. Medical exemptions from Physical Education Classes do not constitute a study hall.

 - Attend “*Share the Keys*” program
 - Any violation that would deem a student *not* in good standing will result in loss of all senior privileges.
- Students must have expressed written consent that is notarized, from a parent or guardian to participate (Even if the student is 18).
- Any student who reports late to class following a study hall or lunch will lose senior privilege.
 - First Offence: Warning
 - Second Offence: Loss of Senior Privilege for 30 days
 - Third Offence: Total loss of Senior Privilege
- Students who choose not to participate in Senior Privilege or do not have permission by their parents must report to their assigned study hall.
- It will be determined by the Administration to suspend open campus during inclement weather.
- The administration may revoke this privilege at any time for a single student or the entire student body. Students may also be required to remain on campus as announced for special events or program, emergency situations, or adjusted school days such as early dismissals.
- Students who arrive late to school with an unexcused tardy may not leave that day for senior privilege.
